

BLUEWATER MOTOR FESTIVAL 2012

On Sunday August 12th, as part of the Townsville City Council's Northern Beaches Festival, a Motor Festival Vehicle/Bike Display was held at Bluewater Park in Bluewater. The Falcon GT Owners Club participated in this annual event which attracted over 100 cars/motorbikes, and several car club displays.

A major component of the event was the Motorsport Precinct Support Cruise which commenced from BP Cluden in Townsville and finishing at Bluewater Park..... about a half hour's drive north, along the highway.

Members in the Support Cruise arrived at Bluewater just after 8.45am. Our GT Club had eight cars on display with some members displaying their cars for the first time. Falcon GT Owners Club members and others with their cars were:

George & Tom U Octane FG GTP Sedan
Gordon D..... White/Blue (John Goss) XB Hardtop
Peter A Track Red XY GT Sedan
Paul K Surfer Orange XY GT Sedan
John M Silver Fox XW GT Ute (Replica)
Luke J..... Green XW GT Sedan (Replica)
Kevin E..... Ermine White (Sth Afr) XY GT Sedan
Adrian B White/Green (John Goss) XB Hardtop

As can be seen from the photos, it was a fine, sunny day, with spectators viewing all the cars that were on display.

Big thanks to all the GT Club members that attended, and helped with the set-up of our display.... especially to Gordon (again) who travelled from Bowen to attend.

Please refer to our GT Club Calender in the newsletter, for other upcoming GT Club events.

For those interested in attending, or wanting more info, please contact Peter (0408 188025).
